

Clientèle Ultimate Life Plan

Valuable benefits

We pay back all your money. Yes, all your premiums back – in cash

The Clientèle Ultimate Life Plan will pay back all your premiums in addition to your life cover amount. For example, if you take out cover for R100,000, we will pay your beneficiaries the full R100,000 PLUS we will pay back every cent paid on the policy for that member. The money will be paid on all valid death claims of the insured person.

Half your premiums back at age 65

We know you worry about your family should you die. But you also worry about money when you retire. Clientèle now gives you the option to receive 50% of your premiums back in cash at the age of 65. The money can be used to ease the pressure of not earning an income anymore. The remaining 50% of premiums will be paid back to the beneficiaries upon death. This benefit only applies to main members who join before the age of 50.

From R216 per month

Premiums are affordable, starting from R216 per month. The premiums are dependent on your age and the level of cover you choose. You can choose to cover yourself, or yourself and family members. Refer to the rate tables on pages 4 and 5 to select appropriate cover and premiums.

Pays up to R200,000

Between R20,000 and R200,000 could be paid out in the event of death. This benefit is paid tax free. Your beneficiaries can use that money as they wish: to pay for funeral expenses, educational costs or simply take care of their daily needs, like groceries and transport.

First R20,000 paid within 24 hours

The first R20,000 could be paid within 24 hours, once the correct documentation has been received.

R200 Airtime when you claim

We will send R200 airtime on approval of the claim to help with the necessary funeral arrangements.

Optional Cash Back Benefit

Cash back – for life! For every 60 premiums paid, you will receive the equivalent of the first 6 months' premiums back – in cash, to use as you wish.

Easy application

- Anyone between the ages of 18 and 70 can apply, provided you have a valid South African ID.
- No medical examination is required.

Accidental death cover

You are covered for accidental death immediately. The amount you are covered for is equivalent to your benefit amount.

Living benefits feature

This allows you to claim a cash advance of up to 75% of the benefit amount if you are diagnosed with a terminal illness, so you can get the benefit of the best medical treatment available. The remaining amount becomes payable to your beneficiaries upon death. This benefit is available after 24 premiums have been paid.
