## Clientèle Loans Valuable Benefits

### Clientèle is the name you trust

Whether it is life, funeral, legal cover, or a personal loan, you can trust us with your family's financial well-being.

Sometimes you need a helping hand to reach your goals. It might be doing those much needed home renovations, buying a car, investing in your children's education or getting married – cash can make your dreams come true.

A Clientèle Personal Loan could be the financial support you have always needed.

### Convenience

It's quick and easy to apply for a Clientèle Personal Loan from R5,000 up to R120,000 and if approved, the money could be deposited into your bank account within 48 hours.

### Repayment period that suits your needs

You can choose the period in which you can pay back your loan, from 12 months (1 year) up to 60 months (5 years). The money is deducted directly from your bank account via debit order, to make it easier for you.

The interest rate on your loan will also be fixed at our current interest rate for your full loan term, so your repayments will never increase, even if the interest rate goes up.
